

Wealth Creation Through Feng Shui and BaZi

Have you ever wondered why are you still missing the opportunity for wealth creation despite your knowledge and skills?

There are people who have what it takes to become wealthy but lack the ability to retain their wealth. Some just keep missing the opportunity whether it's during the economic boom or down turn. Do you see yourself falling into any of these situations?

All of us have a unique pattern in our chart which will reflect individual attitudes towards managing and creating wealth. Our environment plays a significant role in providing the condition for the manifestation and creation of wealth. This knowledge can be learnt and practiced by anyone who wishes to take control of their wealth. Timing becomes a key factor for one's success in life. As the saying goes: **"Do the Right Thing at the Right Time, at the Right Place"**.

This is a course specially tailored for those who wish to learn about their wealth cycles and the quality of wealth elements in their life charts and environment.

You do not need to have Feng Shui or BaZi knowledge to attend this course as all the methodology of finding the elements which affects your wealth are collated for your easy reference during the course. However, for those who have basic knowledge of Feng Shui and BaZi, you will find learning this subject a breeze.
